

# THE ART OF TINSMITHING

Offered by Jeff Leister, Master Tinsmith

## Beginner Tinsmithing

Students will use tools and 1800s techniques of Tinsmithing to create a biscuit cutter, wall sconce, candleholder and lantern.

**9 a.m. to 4 p.m. • \$150 per student\***

**January 19 - 20**

**February 16 - 17**

**March 16 - 17**

**April 27 - 28**

*\*Two-day class. Group discount available.*

## Advanced Tinsmithing

Students will build on their experience in the Beginner class and learn skills needed for more complex projects including burring, wiring, setting down, laps and lock seams. Pattern layout and development will also be discussed. Prerequisite for this class is completion of the Beginner class. Class limited to three students due to the complexity of skills and available machines.

**9 a.m. to 4 p.m. • \$75 per day\***

**February 2 - 3**

**March 2 - 3**

**March 30 - 31**

*\*Student can choose to attend one or two days of class. Group discount available.*

Tools and equipment will be supplied. Please bring a lunch.

Please call 800-654-4645 or email [ccfarm@carrollcountymd.gov](mailto:ccfarm@carrollcountymd.gov) for further information or to enroll.
