

# 2020 HOLIDAY TOUR

## SOCIALLY-DISTANT SANTA PHOTO PROCEDURES

We appreciate your cooperation with these procedures designed to keep all visitors safe.

We want all children to have the opportunity to visit with Santa so please be respectful of the time and remember the other people in line behind you.

- Santa will greet visitors from behind the gate on the Log Cabin porch.
- Visitors are not allowed on the cabin porch.
- Children age 5 and over **must** wear a mask when speaking with Santa and stand in the designated spot to maintain the required social distance.
- When it is time for the Santa photo, children will face away from Santa for the photo.
- Photos must be limited to 10 people or less -- all from the same family/group.
- The photographer must wear a mask and also stand in the designated photography spot.
